

USE INTERNET MARKETING FOR EVANGELISM

1) The only way to have eternal life is to accept Jesus Christ as your Personal Savior. But before you may accept Jesus Christ as your personal Savior you need to listen to the message of repentance

(listen audios on <http://billygraham.org>).

2) If used properly an autoresponder may lead people to accept Jesus Christ as their own personal

Savior ([See example](#)). An autoresponder make it possible to send follow up messages, with tracking

code you may know which argument has the greatest probability to encourage people to accept Jesus Christ as their own and personal Savior.

You may plan series of follow up/automatic messages.

Day 0 : after accepting Jesus you send them an email with a Bible (PDF format) and a link where to find a church.

Day 7 : you send them a link to a daily newsletter

You may plan automatic messages a long time before sending them.

(If you want to chat with new Christians you may send them an email asking them to download Skype, set up a time and chat with them. With Skype video phonings are free...)

GetResponse has 350,000 clients in 182 pays who send emails to 1 billion subscribers each month.

You may follow a 90 days/180 days (depending on the time you may work every day) internet training program for FREE.

For your church (non profit organizations pay 50% off) it may be very helpful both to encourage people to accept Jesus as their personal Savior and Lord and to have the bank account of your church grown...
